prayer

Lord Jesus,

We thank you for this day.

We offer you all our hopes and struggles,
our joys and sorrows.

Help us to grow together in friendship
so that our words and actions bear witness to you
and make a difference in young people's lives.

We pray for our families, those who are hungry,
lonely, poor and homeless,
and all who have asked for our prayers.

May you bless us with wisdom to care for the earth.

May you bless us in love, to care for one another.

In your name may we make all things new.

Amen.
