THE FAITHVIEW AND
WORLDVIEW OF YOUNG
PEOPLE TODAY
A RESEARCH PROJECT INTO
11-25 YEAR OLDS

At both our conferences we will explore the results of a groundbreaking research project, commissioned by the YCW, into young people's lives. What insights does it have for our work?

Weekday February 10th-12th 2010 (Wednesday – Friday)
Where: Ushaw College, Durham, DH7 9RH
(Arrivals from 4pm on Wednesday. Departures after lunch Friday 12th)

A chance to hear input from experienced Chaplains and youth work practitioners, reflect together and take away tools to engage and resource your support of young people.

Weekend February 26th – 28th 2010 (Friday-Sunday)
Where: Friends House, Euston, and YCW, London

This weekend conference includes the one day congress 'Hope' with speakers including Fr Timothy Radcliff, David Wells and Abbot Christopher Jamison. On Friday night and Sunday morning we will have chance to reflect together, and receive input on how what we hear at 'Hope' enriches our work with YCW and Impact.
